

## **Dianne D. Guensberg**

Ms. Guensberg is an Assistant Director for the Financial Management and Accountability Team of the United States General Accounting Office. In this capacity, she is responsible for the design and implementation of GAO's financial management training curriculum. She also leads recruiting efforts for the Financial Management and Accountability Team.

She served as a professional staff member responsible for the oversight of financial management issues for the House Committee on Government Reform, Subcommittees on Government Management, Information and Technology, and Government Efficiency, Financial Management, and Intergovernmental Relations, and for the Senate Committee on Governmental Affairs, Subcommittee on Financial Management, the Budget and International Security while on detail from GAO. She managed GAO's work on financial management issues at the Department of Defense, Department of State and the United States Agency for International Development. Prior to this, she led GAO's financial statement audits of the Internal Revenue Service, U.S. Air Force and Customs Service, as well as audits of federal pension plans such as the Military Retirement System and Civil Service Retirement System.

Ms. Guensberg also served as a member of the Federal Accounting Standards Board's Cost Management Standards Task Force that developed the Managerial Cost Accounting Standards for the federal government. She is a member of Northern Illinois University's Accountancy Executive Advisory Council.

Ms. Guensberg is a graduate of George Mason University with a B.S. in Accounting. She is a Certified Public Accountant and a Certified Government Financial Manager. She is a member of the American Institute of Certified Public Accountants.
